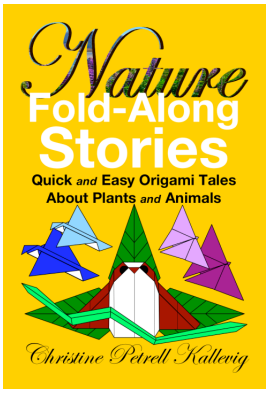
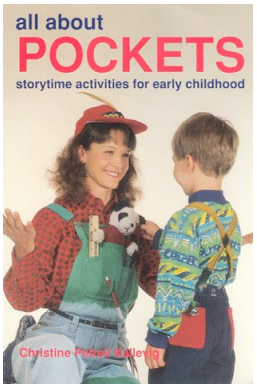
Nature Fold-Along Stories: Quick & Easy Origami Tales About Plants & Animals contains 12 factual stories about North American plants and animals, all illustrated by the folding steps of 12 very easy origami models. This 80-page origami paperback is appropriate for all ages and includes complete illustrated folding instructions.

The Sun, The Moon, and the Origami Grammie - Jacob and Isabella stay with Grammie and her dachshund, Taro, when Mom works away from home. The story shows how Jacob and Isabella eventually learn how to fold an eight-piece modular origami model that transforms from the sun into the moon and back again! Completely illustrated folding instructions are included. Full color illustrations make this 32-page hardcover picture storybook an ideal choice for age 4 and older.

All About Pockets: Storytime Activities for Early Childhood is packed with creative ideas for how to use simple everyday pockets for early childhood math, language skills, and motor development. Perfect for use with storytelling aprons and pocket charts. Recommended for innovative teachers of children age 3 to 7. (128 page paperback.)





"...Anyone can tell a story with words. but it takes something special to do it with other forms of art....A creative endeavor, origami storytelling can be an entertaining and fulfilling way to spend one's time. This is a strong choice for origami lovers."
